

— RALLY ON — THE RUNWAY™

Rally Kid Mary Tipton
Surviving Solid Tumor Cancer

Hi Friends,

It is our pleasure to invite you to support the 12th Annual Rally On the Runway fashion show benefiting Rally Foundation for Childhood Cancer Research on Friday, April 12 at the Georgia Aquarium.

This New York-style fashion event highlights our amazing Rally Kids who are currently fighting or have fought cancer. These brave kids are our models for the evening, taking over the runway with Grady Jarrett and his Atlanta Falcons friends.

Rally On the Runway is a celebration of the resilience of our Rally Kids as well as a powerful fundraiser to find better treatments with fewer long-term side effects and, ultimately, cures.

Our Rally Kid models take approximately 47 steps down the catwalk, reminding us that every day, 47 children — about two classrooms full of students — are diagnosed with cancer. Rally On the Runway celebrates their strength and courage but also reminds us that there is so much work to be done. Cancer is the #1 disease killer of kids in America, yet pediatric cancer research remains severely underfunded.

Rally, a 501(c)(3) nonprofit organization, empowers volunteers across the country to raise awareness and funds for childhood cancer research to find better treatments with fewer long-term side effects and, ultimately, cures. According to audited financials, 93 cents of every dollar Rally receives goes directly to support this mission. Since its founding, Rally has given away \$29.4 million in funds to support 457 childhood cancer research projects worldwide.

Proceeds from Rally On the Runway will continue to fund this critical research and provide hope for children battling cancer.

Thank you for your consideration and support of this premier event.

Rally On!
